

2002 Morgan 4/4 1.8 Zetec 4-Seater

£26,995

2002 Morgan 4/4 1.8 Zetec 4-Seater – 15,000 Miles – £26,995

This delightful four-seater Morgan 4/4 is a wonderful blend of tradition and modernity, presented in exceptional condition throughout. Finished in Amazonite Green Metallic – a colour reminiscent of the Roadster 100 limited editions – it perfectly complements the classic chrome bumpers, Union Jack badges, stainless accents and rich mahogany trim to create a timeless and beautifully balanced look.

Under the bonnet lies the original 1.8-litre Ford Zetec engine, a sprightly yet dependable powerplant producing 111 bhp and 150 Nm of torque, paired with a smooth 5-speed gearbox. This example benefits from a Librands four-branch manifold, sports catalytic converter and K&N air filter, offering just a touch more character while retaining the engine's renowned reliability.

With only 15,000 miles from new and nine service stamps in the book – an impressive average of a service every 1,700 miles – this car has clearly been cherished. The mohair weather equipment remains in fine condition, as does the beautifully kept green leather interior with matching carpets.

The previous owner made a number of thoughtful enhancements to make the car more usable day to day, including a discreet Bluetooth stereo with phone connectivity, smaller external mirrors for improved visibility, a mahogany wood-rim steering wheel with polished horn push, stainless steel door and chassis rail covers, a lockable storage box in the passenger footwell and a stainless mesh grille.

Supplied with a pre-sale inspection and a full 12 months MOT, this Morgan 4/4 represents a rare opportunity to acquire a lightly used, well-maintained and truly charming example of one of Britain's most enduring sports cars.

Available for test drive now at our dealership just outside Reading. Priced at £26,995.
