

2009 Morgan +4 Centenary edition

£32,500

2009 Morgan +4 Centenary edition

A remarkable well-presented Centenary edition Morgan +4 that is a real credit to its previous owner and his fastidious cleaning routine!

This era +4 was fitted with the lively but reliable 2.0 Ford Duratec engine and 5 speed gearbox and the Centenary edition +4 was released to celebrate 100 years of Morgan, making this a real piece of British motoring history.

Immaculate indigo blue paint with navy leather interior, elasticated door pockets, navy mohair wet weather gear that includes a hood cover, tonneau and side screen bag. 5 Stainless steel wheels, over-riders, tread rubbers, 4 ear spinners, Motolita wood rim steering wheel, mesh grille, round door mirrors, stainless luggage rack with side screen facility, side lights and spot lamps, brake reaction bars which all equates to about £8500 in options!

It also benefits from having a steering damper mod which really improves the steering feel and handling, a wind deflector, 5 brand new tyres less than 300 miles ago and most importantly; the kingpins were replaced for hard chrome version around 5000 miles ago, this should give real peace of mind as these now getting very expensive to replace!

Our car has 3 owners in total and under 20,000 miles.
