

2016 Morgan 2.0 GDI +4 4 seater

£38,995

2016 Morgan 2.0 GDI +4 4 seater

This is a beautifully presented, Morgan in striking Jaguar Gunmetal pearl with deep red leather, matching maroon mohair weather equipment including tonneau and side screen bag and contrasting red piping.

This is one of the last few 4 seaters that came off the production line.

Finished in Aston Martin Quantum silver with black mohair weather wet weather equipment and a Mulberry red leather interior. The original purchaser took a modern approach to the spec, and it's really quite striking, especially in direct sunlight with the roof down!

The extensive spec includes 5 stainless steel wire wheels, stainless steel over riders front and rear, radio CD, black leather bonnet strap, chassis rail covers, Walnut dashboard, enamel union jack badges, chrome interior mirror, small exterior mirrors, sun visors in matching leather to the interior, mech radiator grille, map light, hood cover, Motolita steering wheel, boss and horn push, and heated front seats!

Just 2 owners on the V5 (father and son) and exceptionally low mileage at just under 7000 miles, this is a almost-new Morgan 4-seater with the added benefit of being ULEZ compliant this would make a fantastic car for you and your family to get out and enjoy the countryside in!

Priced at only £38,995
