£46,995

2020 Morgan 110 anniversary edition +4 GDI

Being a march 2020 car this must be one of the last traditional chassis Morgans off the production line!

The paint and interior combination of deep metallic red and Yarwood biscuit leather give this car a luxurious and expensive feel to it.

The 110 anniversary models had a huge spec from the outset, with 16" stainless wires, sports-exhaust, mohair wet weather equipment, adjustable shocks, brake reaction bars, metallic paint, door pockets, door check straps, heated seats, start button, in car entertainment, mesh grille, tread rubbers, sun-visors, logos in the headrests and loads more.

In addition to this our car has dealer fitted options of power steering, a stainless luggage rack, round door mirrors, chassis rail covers and LED front headlamps; all of which really take car this to the next level.

2 owners from new, full main dealer service history and just under 12000 miles on the clock it's in amazing condition as you would expect from such a low mileage late car.

Priced at just £46,995

Ready to test drive at our reading dealership and will come fully serviced, 12 months MOT and a warranty for peace of mind.
