

## Price reduced! 2009 Morgan 3.0 V6 roadster phase 2

£37,500

2009 Morgan 3.0 V6 roadster phase 2

A beautiful example of Morgans 3.0 V6 roadster in what we think is the perfect colour combination of Monterey blue metallic and contrasting magnolia interior.

It's no exaggeration to say that this is probably the highest spec car we have had in stock in a long while; spec as follows...

Air conditioning, £1800 of stereo equipment, side screen luggage rack, mohair weather gear, mahogany dashboard, dash clock, sun visors, door pockets and side screen inserts, Moto lita steering with horn push and boss, chassis rail covers, badge bar with an array of badges, over riders front and rear, clear indicator lenses, heated seats, small interior and exterior door mirrors a stainless steel mesh radiator grille, tonneau cover, paint protection film and fitted Hills alive luggage behind the rear seats and probably more that I have missed.

It has had the kingpins changed for hard chrome version which is a major expenditure these days!

3 owners from new with a full Morgan dealer history and a folder full of receipts; with only 26,000 miles from new this will be a very sought after car.

Was £39,995 now £37500!

(007 James bond number plate available by separate negotiation)

As with all of our cars, it will come fully inspected, serviced and with 12 months fresh MOT.
